

# DCSS Reprogramming

Tan Soon Jin

February 21, 2018

# Background

# What is dCSS ?

Why do we need dCSS ?

# dCSS Frequency Table

## Satellite Migration (M3 -> M3b)

# Dependencies

# Phase 1

- ▶ SD channels consolidation (12 transponders -> 6 transponders)
- ▶ Mirror M3 services via M3B
- ▶ Simulcast M3 services via M3B
- ▶ OTA Remapping Capability via dCSS

## Phase 2

- ▶ End simulcast for M3 services
- ▶ Create 6 transponders new test channels
- ▶ OTA Remapping Capability via dCSS
